## Preface

As an institution that values feedback as a catalyst for growth, we have actively sought input from our students, faculty, and staff to identify areas of improvement and implement effective measures.

This report provides a comprehensive overview of the feedback received by Rajagiri Viswajyothi College of Arts and Applied Sciences (RVCAS) to enhance the learning environment and overall educational experience. It highlights our dedication to create an ideal educational setting that nurtures academic excellence, personal growth, and holistic development.

By actively soliciting feedback from all stakeholders, we aim to foster a culture of open communication, continuous improvement, and collaborative decision-making. We firmly believe that these feedbacks serve as a valuable resource in shaping our educational policies, infrastructure development, and teaching methodologies.

This combined report reflects our commitment to transparency and accountability. It showcases the diligent efforts undertaken by our college administration, faculty, and staff to address the concerns and suggestions expressed by our stakeholders. It serves as a testament to our unwavering commitment to providing an exceptional educational environment that empowers our students to succeed.

We express our heartfelt gratitude to all individuals who have contributed their valuable feedback and insights. Their active participation has played a pivotal role in shaping the positive changes reflected in this report.

We sincerely hope that this feedback report will serve as a guiding document, reinforcing our commitment to continuous improvement and fostering an inclusive learning environment at RVCAS.

## **Stakeholders' Feedback Analysis Report 2021-2022**

The Rajagiri Viswajyothi College of Arts & Applied Sciences (RVCAS) values feedback as a catalyst for growth, so we have actively sought input from our students, faculty, alumni, and employers to identify areas of improvement for the academic year 2021-2022. The Internal Quality Assurance Cell (IQAC) spearheads these initiatives and creates an action plan to address weaknesses and focus on areas of improvement. Our system's flexibility and accessibility encourage stakeholders to share their insights through various means, mainly with Google Forms. This process underscores our commitment to upholding the highest standards in education and campus life, adapting to the evolving needs and preferences of our college community.

### **Feedback Mechanism**

RVCAS gathering feedback on our curriculum and academic environment from various stakeholders. This effort is a crucial part of our quality enhancement initiative, led by the IQAC.

### **Feedback Analysis**

The IQAC is instrumental in analysing feedback from different stakeholders. It compiles a comprehensive feedback summary and generates department-specific reports, essential for understanding each department's unique needs and suggestions.

### **Action Plan**

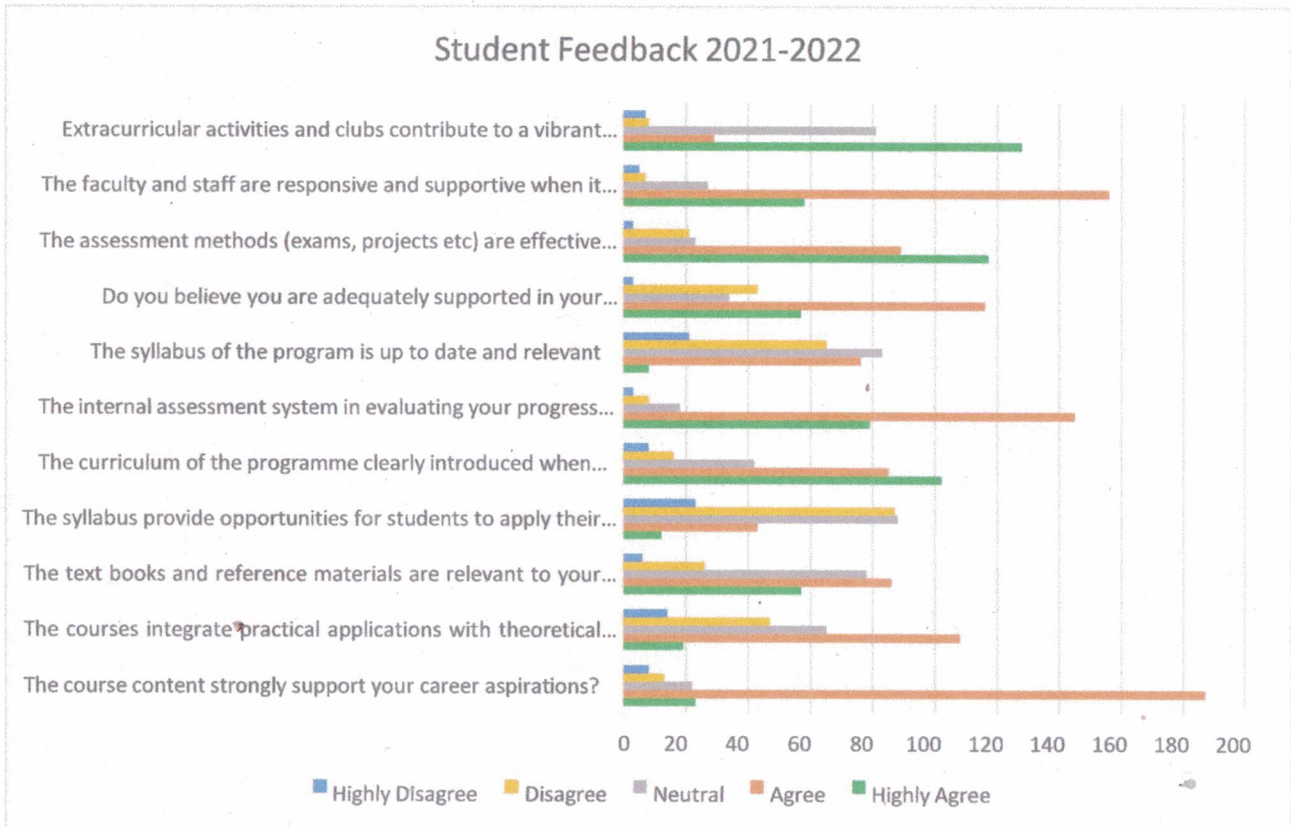

In response to the feedback analysis, the IQAC and departments at RVCAS formulate and execute targeted action plans. These may involve curriculum adjustments, teaching method updates, or infrastructural enhancements. Each department provides an Action Taken Report to the IQAC, culminating in a comprehensive institutional report.

## Student Feedback Analysis Report 2021-2022

Overall, the feedback indicates a positive perception of various aspects of the institution. The respondents generally agree or strongly agree with most statements, suggesting a favourable experience.

Below is a summary of the feedback received from 253 students on each question:

### Suggestions from students

The majority of students are satisfied with the college's academic and non-academic activities. They suggested to

1. Some of the students suggested that the syllabus of the program is not up to date and relevant.
2. Students suggested to improve the syllabus so that they will get the opportunities to apply their knowledge to real-world scenario.

## Faculty Feedback

## Suggestions

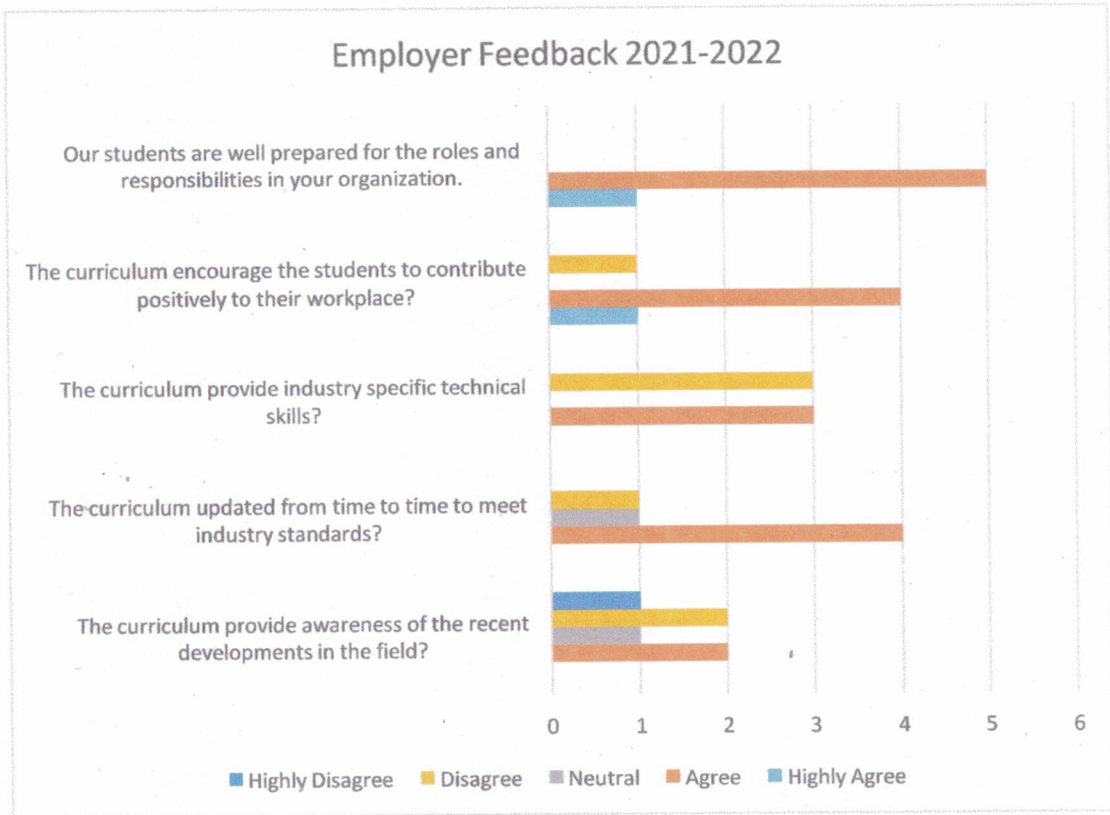

The teachers commended the college for its dedication to academic excellence.

The suggestions from the teachers are :

1. Improve the curriculum so that it provides applied learning.
2. Suggested to provide sufficient course materials and resources to improve teaching and learning.

## Employer Feedback

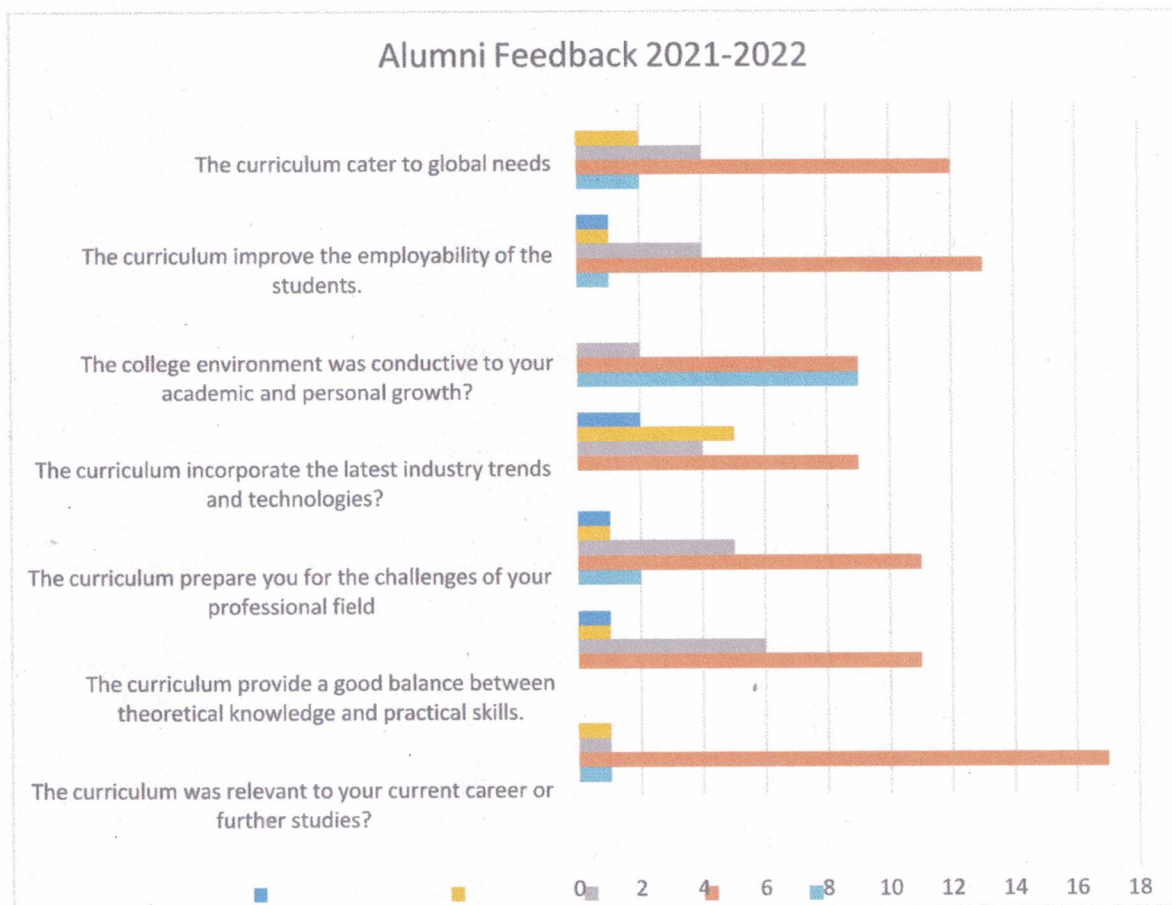

## Suggestions

They commend the institution for encouraging positive workplace contributions and providing industry-specific technical skills.

They suggested to improve the curriculum to provide awareness of the recent developments in the field.

## Alumni Feedback

### Suggestions

1. The curriculum needs to be updated to incorporate the latest industry trends and technologies.
2. A few of them recommended to improve the curriculum so that it provides employability of the students, and prepare them to face the challenges in the professional field.

We hereby submit this report to the college council and management for their review and further guidance.
