ADMISSION TO UG PROGRAMMES - 2020

Centralised Allotment Process (CAP)

www.mgu.ac.in

www.cap.mgu.ac.in

FIRST WORD

Mahatma Gandhi University introduced the Centralised Allotment Process (CAP) in the academic year 2010-2011. Initially, admissions to PG Programmes alone were managed through CAP, but later it was extended to UG Programmes as well.

The greatest advantage of CAP is that the applicants need to submit only one application online for admission to any number of Colleges/Programmes. In this way, they are able to save valuable time, energy and money. The applicants can also track the status of their applications from time to time. Thus, an excellent opportunity to choose the Programme/College of their choice in a hassle-free manner is open to the applicants. The decisive factors in the allotment for an applicant to a given Programme/College are the options submitted, academic record and other socially determined norms applicable. First of all, the marks /grades secured by a candidate at the +2 level decide the eligibility for admission to UG programmes. Under the Pre-CAP system, the applicants had to visit various institutions for the submission of applications and to keep in contact with them to get updates on the progress of admission procedure. CAP, on the other hand, opened a single window eliminating wastage of time, effort and money, besides minimising the element of anxiety from the point of the applicant.

The **UG CAP – Prospectus - 2020** provides the complete information about the online allotment process, and details of the colleges and programmes.

Above all the CAP team of the University is at a click/call away with technical assistance and guidance to the needy aspirants.

1

ATTENTION

The Prospectuses issued in previous years are not valid for the year 2020. Candidates are required to go through the current prospectus carefully and acquaint themselves with all the relevant information relating to the admission process. They are also requested to visit the official website of CAP **www.cap.mgu.ac.in** for notification and announcements.

This prospectus is subject to modification/addition/deletion as may be deemed necessary by the University.

The whole process of allotment to the UG Programmes will be done by the Mahatma Gandhi University. University will not entertain any request for change of any date fixed in the Centralised Allotment Process/Admission from time to time.

Kindly text your feedbacks and queries to ugcap@mgu.ac.in
