Summary

- College has a well established IQAC and has initiated quality strategies that has helped in overall development of students and faculty.
- Faculty empowerment strategies : Teaching and non-teaching are given career development workshops and seminars.
- Teachers have initiated publications and started research work which appreciable.
- Extension activities include public awareness campaign, Community engagement programs, socio economic surveys, and health and wellness initiatives.
- Student support and progression measures are active in the institute. Various talks of eminent industry experts are provided to students. Also various career guidance sessions.

Teaching process is enhanced with ICT enabled classrooms.

College has initiated Outcome based education.

- Infrastructure developments are immensely going on for the well being of students and faculty members.
- College being a green campus ensure environment friendly activities and initiatives to promote sustainable environment.
- Overall college is futuristic in infrastructure development, staff empowerment and student progression.

Suggestions/Recommendations:

- **Strengthen Research Culture:** Encourage faculty and students to collaborate on interdisciplinary research projects, securing funding from external agencies, and increasing publication in high-impact journals.
- **Expand Faculty Development Programs:** Introduce more advanced training on emerging educational technologies and methodologies, such as AI-driven tools, to keep the faculty updated with the latest pedagogical trends.
- **Enhance Student Engagement:** Develop more participatory learning opportunities like hackathons, case study competitions, and internships with industry partners to enhance practical skills.
- **Community Engagement:** Expand the scope of community engagement programs by partnering with local NGOs and government bodies to tackle real-world challenges, thereby providing students with hands-on experience in societal development.
- **Increase Infrastructure for ICT:** Continue to invest in ICT infrastructure, ensuring all classrooms are equipped with the latest technology, and providing continuous technical support for seamless integration into the teaching process.
- **Monitor and Assess OBE Implementation:** Regularly review the Outcome-Based Education (OBE) system to ensure it aligns with industry standards and student career goals, making adjustments as needed.
- **Sustainability Initiatives:** Expand green campus initiatives by incorporating renewable energy sources like solar panels and conducting workshops on sustainability practices for students and staff.
