Action Taken Report for Student Feedback 2023-2024

To address the feedback received from students:

Use of Digital Tools: Digital tools have been integrated to enhance exposure to global resources, broadening students' access to international academic materials and research.

Introduction of Add-On Courses: New add-on courses in AI and Robotics have been introduced to provide students with cutting-edge skills and knowledge.

Digital Library Access: Academic resources have been made more accessible through an enhanced digital library, allowing students to access materials conveniently.

International Seminars: The college has organized international seminars to expose students to global perspectives and advancements in their fields.

Encouragement for Online Certificate Courses: Students have been encouraged to enroll in online certificate courses such as those offered by SWAYAM and NPTEL to supplement their learning.

Action Taken Report for Faculty Feedback 2023-2024

In response to teachers' feedback:

Practical Sessions through Certificate Courses: Practical sessions have been incorporated into certificate courses, offering students opportunities for applied learning and hands-on experience.

Visibility of Learning Outcomes: Programme Outcomes (PO), Programme Specific Outcomes (PSO), and Course Outcomes (CO) have been prepared and displayed in front of their respective departments to enhance transparency and awareness among faculty and students.

Action Taken Report for Employers Feedback 2023-2024

To address the feedback from employers:

Establishment of Placement Cell: A Placement Cell has been established to provide regular career guidance programs, helping students with career planning and job readiness.

Industrial Visits: The college has organized industrial visits to provide students with real-world exposure and industry insights.

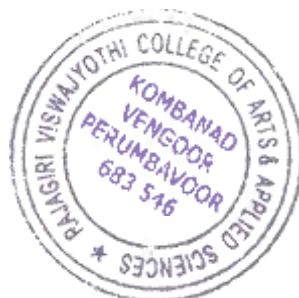

Problem-Solving Activities: Activities such as case studies have been introduced to improve students' problem-solving skills and practical application of their knowledge.

Action Taken Report for Alumni Feedback 2023-2024

In response to feedback from alumni:

Group Discussions for Interview Preparation: Group discussions have been organized to build students' confidence and prepare them for interview challenges.

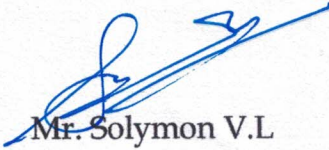

Offer of Certificate and Add-On Courses: Certificate courses, add-on courses, and value-added courses have been introduced to address crosscutting issues and enhance students' skills and knowledge.

Conclusion

This report highlights the proactive steps taken by Rajagri Viswajyothi College of Arts & Applied Sciences in response to curriculum feedback for the academic year 2023-2024. The college remains committed to enhancing educational quality and student preparedness through the integration of digital tools, practical learning opportunities, career guidance, and additional learning resources.
