## **Action Taken Report for Student Feedback 2022-2023**

To address student feedback and enhance the relevance of the curriculum:

**Syllabus Improvement:** Efforts have been made to revise and improve the syllabus, ensuring that it better equips students to apply their knowledge in real-life situations. This includes integrating practical elements and real-world scenarios into the coursework.

## **Action Taken Report for Faculty Feedback 2022-2023**

In response to suggestions from teachers:

**Establishment of Entrepreneurship Development Cell:** An Entrepreneurship Development Cell has been set up to foster innovative thinking and develop entrepreneurial skills among students. This initiative aims to encourage creativity and support the entrepreneurial aspirations of students.

## **Action Taken Report for Employers Feedback 2022-2023**

Based on feedback from employers:

**Encouragement of Internships and On-the-Job Training:** Students have been actively encouraged to participate in internships and on-the-job training. These opportunities are designed to provide hands-on experience and enhance their industry-specific skills.

## **Action Taken Report for Alumni Feedback 2022-2023**

Addressing alumni feedback:

**Enrollment in SWAYAM and NPTEL Courses:** Students have been encouraged to enroll in additional courses offered through SWAYAM and NPTEL platforms. These courses provide further learning opportunities and supplement the core curriculum with specialized knowledge.

## Conclusion

This report highlights the significant steps taken by Rajagiri Viswajyothi College of Arts & Applied Sciences in response to the curriculum feedback for the academic year 2022-2023. The college is committed to continuous improvement and strives to enhance educational experiences through practical applications, entrepreneurial development, and expanded learning opportunities.
