Action Taken Report for Student Feedback 2019-2020

To address the feedback provided by students and enhance their learning experience, several actions have been implemented:

Mentorship Program: Students have been organized into various groups and assigned dedicated mentors. This initiative aims to provide personalized guidance and support, enhancing overall academic performance and personal development.

Library Access and Hours: In response to requests for increased library resources, extended library hours have been incorporated into the timetable. Students now have the opportunity to access library facilities and resources beyond regular class hours, fostering a more conducive learning environment.

Action Taken Report for Faculty Feedback 2019-2020

In response to feedback from faculty members, the following improvements have been made:

Enhanced ICT Facilities: To support more effective teaching methods and integrate technology into the classroom, two new Sense Boards have been purchased. These boards are intended to facilitate interactive and engaging lessons, and to enhance the overall teaching experience.

Action Taken Report for Employers Feedback 2019-2020

Based on the feedback received from industry employers, the college has taken the following steps:

Industry Collaboration and On-the-Job Training: Plans have been developed to strengthen collaboration with various industries. This initiative aims to provide students with valuable on-the-job training opportunities, ensuring that they gain practical experience and exposure to real-world industry practices.

Action Taken Report for Alumni Feedback 2019-2020

To address the feedback provided by alumni and the following action has been implemented:

Introduction of Certificate Courses: To bridge the gap between theoretical knowledge and practical applications, certificate courses have been introduced. These courses are designed to provide hands-on experience and industry-relevant skills that complement the core curriculum.
