Action Taken Report for Student Feedback 2020-2021

To address the feedback provided by students and enhance their learning experience, several actions have been implemented:

Introduction of Certificate Courses: To address students' suggestions for enhancing practical knowledge, certificate courses have been introduced. These courses aim to provide additional industry-relevant skills and hands-on experience that complement the core curriculum.

Establishment of an Exam Cell: To streamline examination processes and improve the management of assessments, a decision has been made to establish a dedicated Exam Cell. This will enhance the efficiency and effectiveness of exam administration and related activities.

Action Taken Report for Faculty Feedback 2020-2021

In response to feedback from faculty members, the following improvements have been made:

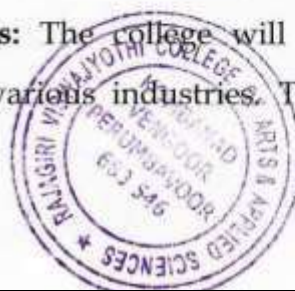

Improvement of Library Resources: To support faculty in their teaching and research, measures have been put in place to enhance library resources. This includes expanding the collection of academic materials and upgrading library facilities to better meet the needs of both students and faculty.

Action Taken Report for Employers Feedback 2020-2021

Based on the feedback received from industry employers, the college has taken the following steps:

Industrial Visits: Plans have been made to organize industrial visits for various departments. These visits will provide students with practical exposure to real-world industry environments, enhancing their understanding of professional practices and career opportunities.

Seminars with External Resource Persons: The college will conduct seminars featuring external resource persons from various industries. These seminars are

intended to offer students insights from industry experts and provide a platform for learning about current industry trends and practices.

Action Taken Report for Alumni Feedback 2020-2021

To address the feedback provided by alumni and the following action has been implemented:

Invited Talks by Alumni: Plans are in place to organize invited talks by alumni. These sessions will allow current students to benefit from the experiences and knowledge of former students who have achieved success in their respective fields.

Conclusion

This Action Taken Report outlines the key measures undertaken by Rajagiri Viswajyothi College of Arts & Applied Sciences in response to the curriculum feedback from students, teachers, employers, and alumni for the academic year 2020-2021. The college is committed to continuous improvement and enhancing its educational offerings based on stakeholder input.
