Action Taken Report on the Feedback Analysis
2021-2022

INDEX

| Sl.No | Item | Page |
|-------|---|------|
| 1 | Action Taken Report for Student Feedback | 2 |
| 2 | Action Taken Report for Faculty Feedback | 2 |
| 3 | Action Taken Report for Employer Feedback | 2 |
| 4 | Action Taken Report for Alumni Feedback | 2 |

Action Taken Report for Student Feedback 2021-2022

To address student feedback and enhance their learning experience, the following actions have been undertaken:

Use of Google Classrooms: Google Classrooms have been integrated to offer students access to e-resources. This platform facilitates the application of theoretical knowledge to real-world scenarios, supporting a more interactive and practical learning environment.

Action Taken Report for Faculty Feedback 2021-2022

In response to feedback from teachers, the college has implemented the following measures:

Applied Learning: Plans are in place to emphasize applied learning, incorporating practical exercises and real-world applications into the curriculum.

Provision of Course Materials: Steps have been taken to ensure that sufficient course materials and resources are provided, supporting teachers in delivering comprehensive and effective instruction.

Action Taken Report for Employers Feedback 2021-2022

Based on employer feedback, the college has planned the following initiatives:

Internship Opportunities: To enhance students' industry-specific technical skills, plans have been made to arrange internships. These opportunities will provide practical experience and better prepare students for their careers.

Action Taken Report for Alumni Feedback 2021-2022

Addressing alumni feedback, the college will:

Add-On Courses: Plans are underway to introduce add-on courses, providing students with additional skills and knowledge that complement their primary studies and enhance their employability.

Conclusion

This report outlines the proactive measures taken by Rajagiri Viswajyothi College of Arts & Applied Sciences in response to the curriculum feedback received for the academic year 2021-2022. The college remains dedicated to improving educational outcomes and aligning its programs with the needs of students, teachers, employers, and alumni through these targeted actions.
