Outcome of the Programme	The student learned to practically handle the human resource of an institution.

Programme Report on Internship with KRIPA (Kerala Rehabilitation Institution for The Physically Affected).

From December 14th, 2019, to December 31st, 2019, the B. Com Department orchestrated an enriching internship at KRIPA (Kerala Rehabilitation Institution for The Physically Affected), designed to empower students with practical human resource management skills. Guided by Ms. Sreekala MM, the program coordinator, the internship played a pivotal role in achieving its core goal: equipping students with the vital competencies needed to manage human resources effectively in institutional settings.

As of Covid 19 only Sonali Biju, was able to attend the Internship, the sole beneficiary of this immersive experience, embarked on a comprehensive learning journey over the 15-day period. The internship offered a hands-on learning environment where Sonali could apply theoretical knowledge directly, gaining first-hand insights into the intricacies of human resource management within a rehabilitation-focused institution. By the end of the internship, participant had honed essential skills in recruitment, training, and personnel management.

PROGRAMME REPORT

The seminar on "Entrepreneurial Excellence: Building and Growing Your Start-Up" provided valuable insights and practical strategies for aspiring entrepreneurs. The event commenced with an overview of key entrepreneurial principles, emphasizing the importance of vision, innovation, and strategic planning. Industry experts shared their experiences and best practices for successfully launching and scaling a start-up. Topics included effective business planning, securing funding, and navigating market challenges.

Sessions focused on creating a compelling business model, developing a strong brand identity, and leveraging digital marketing to reach target audiences. Interactive workshops allowed participants to work on real-life scenarios, refining their pitches and exploring strategies for sustainable growth. Experts also discussed the significance of building a resilient team, fostering a positive company culture, and adapting to industry trends.

Case studies of successful start-ups provided practical examples and actionable insights, illustrating how theoretical concepts are applied in the real world. Attendees left with a deeper understanding of the entrepreneurial journey, equipped with tools and strategies to effectively build and expand their own ventures. The seminar effectively bridged theoretical knowledge with practical application, offering a comprehensive roadmap to entrepreneurial success.

PROFILE OF THE RESOURCE PERSON

Ms. Jabeena is an Assistant Professor at KMEA, where she has been contributing to the academic community with her expertise in finance. With a solid educational foundation, holding a Master's degree in Commerce with a specialization in Finance, she brings a well-rounded understanding of financial principles and practices to her teaching. Prior to her tenure at KMEA, Ms. Jabeena gained valuable experience at MES College, Edathala, where she served for six months. During her four years of professional experience in academia, she has developed a strong pedagogical approach and a commitment to student success.

Outcome/Benefit of the programme	Participants gained an understanding of the factors that affect fuel cost and identify the key trends and patterns in fuel cost over a specified period.

Programme Report

A lecture on Fuel Cost Analysis - Budget Insight from 2017 to 2019 was conducted on February 25, 2019, Rajagiri Viswajyothi College of Arts and Applied Sciences, Vengoor, Perumbavoor, hosted a lecture titled "Fuel Cost Analysis: Budget Insight from 2017 to 2019" organized by the Department of Commerce. The event took place in Room No. 303 and was attended by 18 college students. Ms. Binitha P S from the Department of Commerce served as the resource person, delivering valuable insights into the dynamics of fuel costs and budget trends. The lecture aimed to provide students with a comprehensive understanding of how various factors influence fuel costs and how these costs have affected budgeting over the past few years.

The session was designed to help participants recognize and analyse key trends and patterns in fuel cost data from 2017 to 2019. By examining these trends, attendees gained a clearer picture of the impact of fluctuating fuel prices on budgets and learned about effective strategies for managing fuel costs. The feedback from the participants indicated that the lecture was beneficial in enhancing their understanding of fuel cost dynamics and provided them with practical insights that could be applied in real-world budgeting scenarios.
